

Effective immediately:

Each year in early spring rack spaces are assigned to SBIA Members via a lottery.

Rack Space Rules:

- The time frame to enter the lottery and when rack spaces will be assigned/announced will be communicated via the SBIA Email Newsletter.
- Only **SBIA Members** who paid their dues for the year are eligible for a rack space assignment.
- Rack spaces will be assigned based on priority selected from the random drawing. Canoes **cannot** be stored on the grass.
- Each entry will be assigned only one space. If all entries have been assigned and there are remaining rack spaces available, then those spaces will be assigned to any members requesting more than one space.
- SBIA assumes no responsibility or liability for damage, theft, or vandalism to canoes, kayaks or other items left on SBIA property or for personal accident or injury of any kind resulting from or related to the use of the canoe / kayak racks.
- Persons using the canoe / kayak racks do so at their own risk.
- Canoe / kayak owners are encouraged to secure their water craft and to not leave paddles, life vests, cushions or other personal items unattended.
- Canoe / kayak racks are for seasonal use. All canoes and kayaks shall be removed from the property by **Dec 1**.
- Canoes / kayaks **remaining after Dec 1** shall be deemed abandoned and considered a donation to the SBIA to either sell or give away.
- Canoes and kayaks must have owner's name displayed in a clearly visible location when stored on the racks. For example: Permanent marker on Duct Tape.
